

# Minsterworth Parish Council

## March 2023

The Parish Council paid their respect with a 1 minute silence for the passing of Councillor Phil Awford. Councillor Awford was the Gloucestershire County Councillor, with over 20 years of service. He was well respected and had a breath of experience on Highways and aspects of working with Tewkesbury Borough Council. He will be sadly missed.

You may have noticed the white village gates have been erected at west end of the village, this is after 5 years or working on this project. We have just agreed with Highways the location of the additional two which should be erected east end.

## Coronation Celebration

The council agreed to grant £100 towards the celebration to be held on the Sunday 7<sup>th</sup> April. We are also looking into a Grant from Tewkesbury Borough Council of up to £1000. The theme is Health and Wellbeing, if anyone has ideas on what the Parish Council could apply for please message the Parish Clerk with your ideas.

If you would like to volunteer on the day please Roger Blowey

## Planning Applications

### 22/01277/FUL Part Parcel 0003 Church Lane Minsterworth

New floor and elevation plans/Eight four bedrooms dwellings.

This application has resubmitted plans with changes to eight four bedrooms.

The councils comment: Even though the footprint is the same Tewkesbury Planning should consider more affordable houses with as combination of 3 and 4 bedroom dwellings as per the first planning application. Concerns were also noted from the comment within he on the Severn Trent report of mains sewer.

### 23/00107/FUL The Falklands, Main Rd, Minsterworth.

Erection of an attached single storey annexe (part-retrospective) No objection

### 23/00172/FUL Highbury, Main Rd, Minsterworth.

Erection of detached garage building to front of existing dwelling western boundary treatments and entrance gates. Objection.

Council considered the two storey garage build was extensive, out of character with the other building and imposing on neighbours. The council would prefer to see wrought iron gates rather that the planned solid wooden gates.
