

# Minsterworth Parish Council

July 2023

## Good work 'Thomas'

Cleaning the ditch alongside a property in Minsterworth.

This time of year the Gloucestershire Highways and Highways England have started their grass maintenance schedule. You may have noticed some areas have been trimmed and others left quite long. This is due to the two different authorities owning the land. Hedges are becoming overgrown, however these won't be trimmed until September following the nesting season of birds.

The parish council has received the annual playground inspection. There is maintenance work to be completed and some items required to be removed due to health and safety.

The Autospeedwatch Camara is now up and running. A report was presented at the parish meeting which displays some statistics. Please look out in The Villager for the full report.

The Council is working with Gloucestershire Highways on various road signs for the village. This includes speed and pedestrians signs.

## Planning Applications

- Minsterworth Court 22/00674/FUL  
Repair and replace failed rainwater goods. Install an underground packaged sewage treatment plant. Remove and replace cement renders and failed lime renders with associated paint finishes.
